Event Report

Background: In a bid to extend our ongoing efforts to enrich the educational landscape in the string of NEP 2020, SoE proposes to organise an online lecture series named '*NEP 2020: Guide to a Transformed Learning Experience*' for students and aspiring learners of NSOU. The National Education Policy (NEP) 2020 has ushered in a significant transformation in the Indian education system. This lecture series aims to sensitize students about the key features, opportunities, and implications of NEP 2020 for their academic journey. Students and aspiring learners will gain a comprehensive understanding of NEP 2020 and feel confident and prepared to thrive in the new education landscape. They will be empowered to make informed choices about their academic pursuits and be better equipped to achieve their full potential.

Objectives of the event are:

To provide students and aspirants with a clear understanding of the core principles and goals of NEP 2020.

To equip students with knowledge about the changes in curriculum, pedagogy, and assessment practices.

To empower students to navigate the choices and opportunities offered by the new education policy.

To foster a sense of ownership and engagement in their learning experience under NEP 2020.

The Proceedings: The 1st lecture of the series was held on 21st August 2024, Wednesday, from 2pm-3.30pm through ZOOM.

Audience: Around 52 participants, comprising of students pursuing degree/diploma/certificate courses/programmes at SoE, NSOU, faculties, officer and staff across the university.

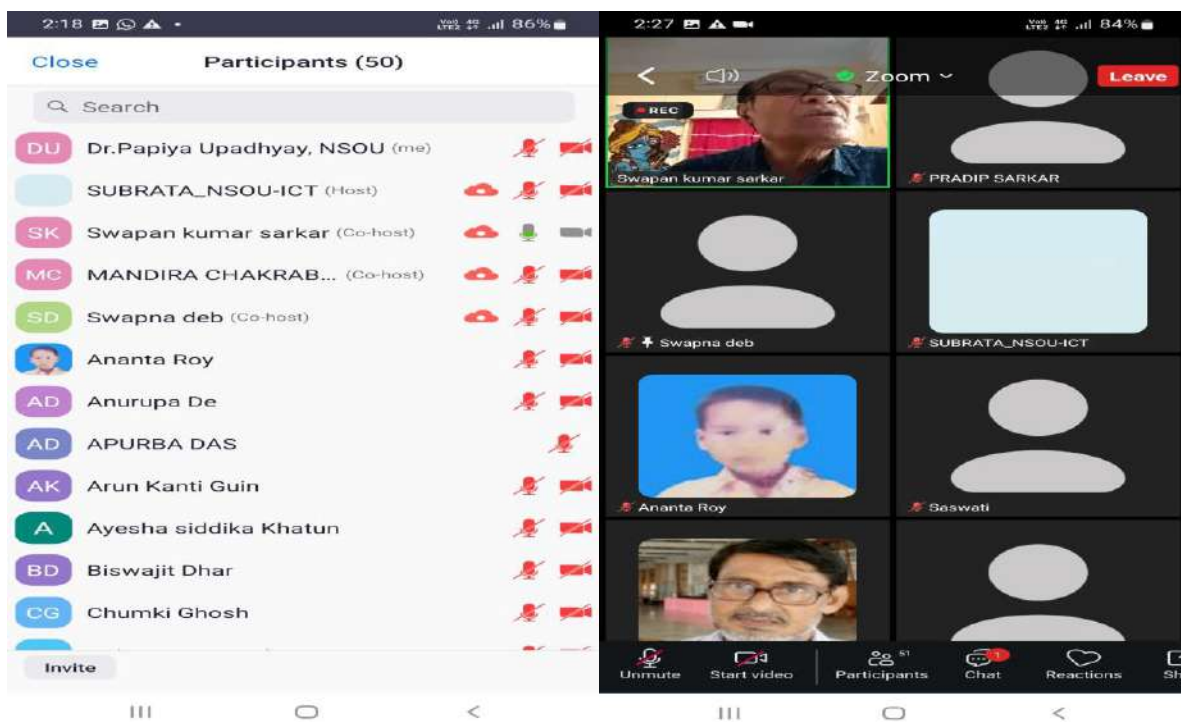

Initiation: Ms. Swapna Deb, Consultant, SoE and Organizing Secretary of the event initiated the programme and introduced the speaker, Prof. Swapan Kumar Sarkar and also welcomed the audience.

The Lecture: Prof. Sarkar eloquently spoke on the ‘National Education Policy 2020: New road map to achieve phenomenal India’ touching upon the vision and mandate of the NEP 2020 and the contemporary education system. He discussed each and every dimension of the NEP, its parts and chapters outlining an overview and presenting a synoptic landscape of the education system in India. The realm of multidisciplinary, regional language, integration of disciplines and teacher empowerment were dealt with specific elucidation enlightening the audience. His One hour deliberation was not only informative but also interesting and instilled the newness of the Indian knowledge system and its significance in the contemporary education and society.

Q & A: A couple of questions were asked by the participants. Prof. Sarkar clarified them most humbly.

The closing: Dr. Papiya Upadhyay, Assistant Professor of Education, SoE and Convener of the event summarized the lecture. She extended cordial thanks to the Vice Chancellor, Registrar, Director, SoE, Co-convener, organizing secretary, faculty members of SoE, all audience and the TeamLease EdTech to clinch the event.
